PREAMBLE:

Dr. Babasaheb Ambedkar Mahavidyalaya Innovation and Incubation Centre (DRBAMVIIC) was set up for accomplishing the goal of nurturing and encouraging entrepreneurial ability among the students and other members of the society.

We fell extremely elevated to mention here in that our Hon'ble President of SDGCT, Respected Kirtitai R. Arjun is head of an established and renowned women entrepreneur of the nation.

It gives a platform for stimulating, encouraging and mentoring the students, alumni and others within and outside of our Institution towards the journey of becoming successful entrepreneurs.

Indian Market is exploding in terms of rising business opportunities based on innovative and unique ideas. There is lack of support and incubation facilities to the people who are wanting to be an entrepreneur. They do not have any knowledge how to connect to the resources to become an entrepreneur and establish a successful venture.

DBAMVIIC shall provide active support in the form of various services and facilities including workspace, communication and networking, continuous physical support in terms of electricity, water supply, IT Labs, mentoring and monitoring, etc. and other facilities for budding entrepreneurs

VISION:

Our vision is to establish an ecosystem comprising of all key support elements required by aspiring entrepreneurs to start and grow business based on their ideas driven by sustainability, innovation and having social relevance.

MISSION:

- To promote and support start-ups which are capable of addressing key issues and problems of society
- To provide the students with the required mentorship support required at various phases in establishing a venture.
- To establish a strong network between the academia, various industries, financial institutions and other institutions in the network
- To provide other key support services comprising intellectual property support, technical and legal support.

OUR CORE STRENGTHS:

- Consortium of intellectual resources of students, teachers, alumni industry expert partners
- Strong network and relation with bodies like SGBAU, Mahendra Pride, MCED, Aurangabad, etc.
- Association with many Academic Institutes in India and abroad
- A strong brand presence of the Institute across the region
- Active engagement of the institute across various social entrepreneurial projects
- Easy to approach outlook for those who are in need of support and guidance in the entrepreneurship.

Indian Knowledge System (IKS)

The NEP, 2020 recognizes this rich heritage of ancient and eternal Indian knowledge and thought as a guiding principle. The Indian Knowledge Systems comprise of Jnan, Vignan, and Jeevan Darshan that have evolved out of experience, observation, experimentation, and rigorous analysis. This tradition of validating and putting into practice has impacted our education, arts, administration, law, justice, health, manufacturing, and commerce. This has influenced classical and other languages of Bharat, that were transmitted through textual, oral, and artistic traditions. "Knowledge of India" in this sense includes knowledge from ancient India and, its successes and challenges, and a sense of India's future aspirations specific to education, health, environment and indeed all aspects of life. The main objective of drawing from our past and integrating the Indian Knowledge Systems is to ensure that our ancient systems of knowledge represented by unbroken tradition of knowledge transmission and providing a unique perspective (Bhartiya Drishti) is used to solve the current and emerging challenges of India and the world. (<https://www.education.gov.in/nep/indian-knowledge-systems>) Today, Indian educators are being encouraged to remind children about the Indian Knowledge System, so that they do not feel all knowledge came from the West. They need to

be made aware, and proud, of the contribution of their ancestors in fields such as mathematics, calculus, and science. We need to acknowledge the contributions of Buddhists and Jains as well as members of other castes and communities and tribes of Bharat. Knowledge exists in all languages of India. Hence the college aims to preserve and promote India's rich heritage by integrating IKS into the curriculum and encouraging research in traditional knowledge systems. The syllabus of Indian Knowledge System (IKS) of Sant Gadge Baba Amravati University Amravati for UG Arts and Commerce Faculty is as follows.
