20 - 21	13/01/2022

15.Multidisciplinary / interdisciplinary

The college is running programs in Arts and Commerce faculties so very few courses have included an interdisciplinary syllabus. The students in the second year of graduation level are taught a course in Environment Studies to create awareness about the

environment. The college arranges educational excursions for students of all classes to get interdisciplinary exposure for students. Many academic programs are conducted togetherly so that the students of different courses and classes should mix together. The induction program for first-year students also provides a chance for the students to form a multidisciplinary approach among the students. Some of the teachers have joined the SAWAYAM portal to learn interdisciplinary courses and students are also encouraged to join the same.
16.Academic bank of credits (ABC):
Academic bank of credits (ABC) has been implemented from the academic year 2022-23 so there is no record of this in the previous years.
17.Skill development:
The college runs various courses and activities to boost the skill of the students. The computer lab and the language are used to teach the skills about technical advancement. The department of English conducts a course on a soft skill development program and it also engages in co-curricular activities to develop skills in the students. The Mahindra Pride Classroom Classes were engaged in the college to make soft skill development among the students.
18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)
The courses prescribed by the university has an inclusion of various chapters on the Indian Language, culture, and philosophy. The students and the teachers are advised to enroll in online courses in which Indian philosophy and culture are taught. The subjects like History, Political Science, Economics, Sociology, and Commerce has got included in Indian Philosophy. Pali and Prakrit is a language of the Buddha's time, it is taught to the students in the college. The chapters on Indian Culture and Philosophy are prescribed in the syllabus of English and Marathi languages.
19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):
At the end of the semester, the exam and tests are conducted to check the outcomes of the students. Internal evaluation is also helpful to check the outcome of the students. Every course and program has its separate outcome, the IQAC asks teachers to give special attention to check the outcome of the students as per the given parameter.

20.Distance education/online education:

The college has conducted online classes during the time pandemic covid 19. all the teachers have acquired a good knowledge of online classes which has helped them to conduct online classes smoothly. The college is a Local Chapter for Online courses of the SWAYAM, the teachers have completed Refresher and FDP in an online mode. The teachers have used Zoom and Google meet to conduct the online classes and they have also used Google classroom for providing tests and study material to the students. The college has organized online FDP, meetings, and programs for the teachers and students. The WhatsApp groups of students have been formed to share instructions and notices with the students. Though the college runs in the regular mode, many online activities have increased since the time of the pandemic.

CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
The Time-table committee prepares a time-table keeping in view the University stipulations regarding the number of hours required for the teaching-learning process. Heads of the Department allot workload as per the norms of the affiliated university. Teachers	

complete their lectures as per the teaching plan. Meeting sare held to review the completion of the syllabus. The Principal conducts the meeting in coordination with the IQAC to review the progress as well as future plans of every department. For effective transmission of curriculum, all departments integrate classroom teaching with various learning methodologies like Study Tours, Field-Visits, and seminars. Due to the corona pandemic tours and field visits are not conducted for this year. All departments prepare an academic and co-curricular activity schedule as per the calendar provided by the university. Teachers maintain a logbook detailing the teaching schedule for each semester. Copies of the curriculum, timetable & exam schedule are made available to the students through the College website and the departments. Monthly meetings of the Principal and HODs discuss the upcoming events and last date for completion of course work, based on which extra teaching hours can be scheduled if required.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The institution has a mechanism of internal assessment which is transparent and robust. The internal examination committee works throughout the year to assess the learning levels of the students by conducting unit tests, home assignments, seminars, group discussions, projects, semester-wise preliminary examinations, etc. The rules and regulations laid down by affiliating universities regarding the examination are strictly followed by the institution. The academic calendar consists of a CIE schedule. The transparency in Internal Assessment Process: The schedule of internal examinations is declared well in advance. The faculty members set the question papers as per the pattern of university question papers. The assessment is done by the concerned teacher. The mark sheets are prepared and displayed on the notice board. For transparency measures, assessed answer papers are shown to the students. The students come to know their mistakes and lacunas. The suggestions are given to them for improvements. The outcome of this effort is reflected in scores of the final semester examination. The departments conduct unit tests on the completed

units. The test papers are assessed and their performance is shown to students. The suggestions are given for improvements. The test papers are given to students for preparation.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Slow and advanced learners are singled out by the concerned teachers after taking into account the following: 1.The marks obtained by students at previous examination 2. Objective type

test followed by oral test 3.Quiz tests & puzzles 4.Having dialogue with them about their interest in the chosen subjects.

The following measures are taken in case of slow learners: 1.The college and individual teachers help the slow learners by giving proper guidance and support to the learners viz. teachers review the academic performance of students from class room lecture to project writings. 2.Conduct extra classes for the difficult subjects (based on the previous university results) in the curriculum. 3.Special attention is given to the students in the tutorial classes, who are identified as the slow learners. 4.Slow learners are specially advised and counseled by a Teacher Guardian and the subject expert. 1.Each department organizes various competitions and seminars which help the advanced learners to upgrade their knowledge. 2.The performances of the advanced learner are assessed through surprise tests, essay competition ,seminars, and presentation, etc. 3.The college provides a platform for co-curricular and extracurricular activities to advanced learners to broaden their horizons by giving opportunities to boost their presentation skills.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Besides resorting to conventional method of lecturing, faculties make use of different innovative and creative methods, devices, techniques, activities to make their teaching-learning effective. The teaching-learning process include support of LCD projectors, Google classroom, Internet, Wi-fi, PPTs, e-resources, Whatsapp, Audio-visual aids, etc. In addition other activities are also used like- fieldwork, study- tours, role play, surveys, poster presentation, questionnaire, interview, interdisciplinary teaching, book reviews, use of film, interactive teaching, learning based on feedback of students. Department of Commerce organizes Industrial visits, Bank Visits, Projects on commercial topics to develop commercial and industrial capability of the students. The department also organizes excursions and tours to study different places of small scale industry, Banks and Bachat Gat to develop economical perspectives among the students. Every year the Economics department arranges Workshop on Indian Budget

post budget to make students aware about current trends in Indian Economy. The field visits by students of History are focused upon study of different Historical locations and Places. All the Departments also organize educational tours and field trips.. Department of Languages organizes Essay Competition, Debate, Poster making competition, Workshops on Personality Development and Guest Lecturers. The department of English organizes regularly News reading competitions.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment implemented as per university norms has shown following results, Internal examination, Practical examination and semester- end examination are separate heads of passing. Good conduct, independent learning and communication skills are judged during lectures, practical and seminars as a part of students' active academic performance. • Basic eligibility for evaluation process is made known to students through college website, notice boards and class counseling. • College notifies evaluation process and related documentation on the notice board as well as on college website. This includes distribution of marks and schedule of internal evaluation • College also notifies the criteria for allocation of term work marks through notices and class counseling. Broad features of Centralised Internal Assessment test for all courses Fair conduct of the examination Consolidated mark sheet for all subjects which enables us to judge the progress of the student. If the student fails to attend the internal examination on medical grounds or other unavoidable reasons they are given a chance to appear on a different date subject to the schedule fixed by the university. Valuation is done by the respective subject teacher within two days through centralised evaluation system. Model Answer are prepared..

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

If a student is not able to appear in examination due to medical or any genuine reason examination is conducted for that student as per norms, provided that he/she submits application with proper documents. For the students who participate in sports and miss the examination, the college arranges for them examination on different dates. If any student scores less marks and wants to improve in that subject, he/she can appear for the improvement examination. The grievances of the students with reference to assessment are made clear by showing his/her performance in the answer sheet. The answer sheet of such student is assessed by the faculty once again in the presence of the student concerned. Any corrections in the total of marks or assessment of answer books as identified by students are immediately done by the faculty members. Any student who is not satisfied with the assessment and award of marks may approach the concern HOD who can intervene and

seek opinion of another course Teacher. The Institute follows open evaluation system where the student performance is displayed on the notice board and the same is informed to the parents. Complete transparency is maintained in internal assessment tests.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The college has clearly stated Programme Outcomes, Programme Specific Outcomes, Course Outcomes and Learning Outcomes. The Vision and Mission statements are displayed on the college website as well as on various platforms. These outcomes have been set, taking into account the variety of programmes and the heterogeneity of rural and urban students. The Programme Outcomes are set by the affiliating university in the syllabi prescribed to each class. Faculty and students are expected to know them. At the beginning of every academic year, the programme outcomes are verbally communicated to the students by teachers and during the Principal's address. They are also displayed on the college websites and brochures. Course Outcomes, as well as Learning Outcomes, depend upon the nature of the course and the subject concerned. They are also defined by the university and are clearly mentioned in the syllabus of a particular class and subject. The Programme Specific Outcomes are closely related to the content of the syllabus. They are syllabus oriented and may vary as per the subject. All these outcomes are explained to students in the classrooms directly or indirectly. There are some universal learning outcomes also which are inherent in every syllabus.

Upload any additional information	No File Uploaded
Paste link for Additional information	Nil
Upload COs for all Programmes (exemplars from Glossary)	No File Uploaded

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institution has a well-defined mechanism to evaluate the attainment of programme outcomes, programme specific outcomes, course outcomes at each stage. Every teacher is involved in explaining the course-specific learning outcomes to students. The teachers are sensitized by IQAC through regular meetings and reviews. The curricular, co-curricular, and extra-curricular activities are organized regularly. The success of the activity performed by the students underlines the attainment of outcomes. The institution uses formal and informal strategies to ascertain that the students achieve the learning outcomes through the course. The activities organized by different departments and support services also reflect the vision and mission of the institution. Specific objectives are set while planning and executing every activity. It is compulsory to submit an annual plan of activities to be organized with clear-cut objectives to IQAC. The Principal and the LMC/CDC take into consideration the effect and usefulness of the activity while according sanction to the teaching plan. The learning outcomes are monitored through the performance and results of students in internal and university examinations. An analysis is carried out at the department level. Feedback is provided in case of necessity. Regular meetings of faculty and staff are arranged through IQAC to discuss the specific learning outcomes achieved. They are also conveyed to the Management. In this way, the academic performance in extension activities, enrolment to higher education, number of placements made, number of awards and prizes won are the parameters to evaluate the achievements of students. 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Research has always been a way of life in the academic arena of Dr. Babasaheb Ambedkar Mahavidyalaya, Amravati. The research policy of the college has given pivotal importance to research as it aims to enhance the quality of education. The college consistently strives to strengthen the research culture in faculty and the students by providing the best of research environment. The college has established a Research Advisory Committee to facilitate and monitor the progress of the research undertaken. It takes efforts and encourages scientific temper and research culture and aptitude among the faculty as well as the students. The college motivates the faculty members to update their knowledge by helping them to pursue higher studies. The faculty is motivated to enroll for M.Phil., Ph.D., send proposals for major /minor research projects, to publish research papers in reputed research journals. The faculties are inspired to do research in emerging areas and fields. The proposals of major/minor research projects are discussed at departmental level as well as reviewed

by the committee before they are submitted to the respective funding or sponsoring agency. Financial assistance and duty leave is given to the faculty attending Workshops, Seminars, Conferences at university, state, national and international level.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College takes special efforts to promote institution neighbourhood community network. The students being the major factor, are encouraged and motivated to participate in extension activities. Student centric community development programmes are organised by the college. The faculty shoulders the responsibility to engage students in the extension activities. Activities are organised and implemented through the Support Services like NSS, Cultural Activities, etc. The NSS unit of the college implements various extension activities throughout the academic year. Every year NSS camp of seven days duration is organised in the village adopted by the college but due to corona pandemic there was ban on the special camp. The NSS unit conducted many awareness programme about corona virus. The NSS has a planned schedule of work. The planned work comprises of making roads, digging soak pits, building bandhara, etc. NSS also carries out activities like Save

the Girl Child campaign, Literacy Rallies, Cleanliness Drives, Water Conservation programs, Aids Awareness Programs, Tree plantation, Day celebration, Free health check-up programs, No Vehicle Day, etc.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college has a Resource Management Committee that supervises the maintenance of Laboratory, Library, classrooms, Sports Complex, and Computers. The RMC committee is headed by Dr. P G Rathod who monitors and supervises the work done by the concerned person. Adequate in-house staff is employed to meticulously maintain hygiene, cleanliness and infrastructure on the campus so as to provide a congenial learning environment. Classrooms, Seminar halls and Laboratories, etc are cleaned and maintained regularly by Non-teaching staff assigned for each floor. Wash rooms and rest rooms are well maintained. Dustbins are placed in every floor. The Green Cover of the campus is well maintained by a full time gardener. Optimum working condition of all properties/equipment on the campus is ensured by assigning the work to experts. We have available-on-call contract persons for maintaining various items of the college: For Computer and Language lab the person concerned is Mr. Manohar Meshram who looks after the maintenance of computers and software in the computers. There is Visitor's Register where each visitor must enter their name and contact number while visiting the lab. Library - Accession to library is permitted at the cost of the deposit as caution money.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The faculty members fill in their Self-Appraisal forms which are assessed by the SelfAppraisal Committee. Based performance of the university the teachers submit API forms. The analysis of the feedback provides certain inputs on the individual faculties

strength and weaknesses. Management receives Confidential Reports of all the teachers through the Principal (i.e, performance appraisal forms) at the end of every semester. In the Report Principal evaluates the performance of staff and gives the grading according to the work performed. Meetings are conducted and results are reviewed. The teachers are motivated to take up development programs. Performance appraisals of teaching and non-teaching staff are reviewed by the Principal. Adverse remarks, if any, are conveyed to the concerned employees for improvement.

Teaching:- Every Faculty Member of Institution is assessed for his or her Performance based on the API score of PBAS proforma. The PBAS proforma has been evolved as per guidelines stipulated in "UGC Regulations on Minimum Qualifications for Appointment of Teachers in College and Measures for the Maintenance of Standards in Higher Education-2010" no. F3-1/2009 dated 30 June, 2010, hereafter referred as UGC regulations. The API scores as endorsed and verified in the PBAS proforma are the primary means of assesment of the teachers.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institute has a mechanism for internal and external audit. We have our own internal audit mechanism where internal audit is an ongoing continuous process in addition to the external auditors to verify and certify the entire Income and Expenditure and the Capital Expenditure of the Institute each year. Qualified Internal Auditors from external resources have been permanently appointed and a team of staff under them do a thorough check and verification of all vouchers of the transactions that are carried out in each financial year. Likewise an external audit is also carried out on an elaborate way on quarterly basis. The institutional accounts are audited regularly by both Internal and statutory audits. So far there have been no major findings / objections. Minor errors of omissions and commissions when pointed out by the audit team are immediately corrected / rectified and precautionary steps are taken to avoid recurrence of such errors

in future. The institute regularly follows Internal & external financial audit system. The college Management (Dadsaheb Gawai Charitable Trust) has set up an Audit Committee for the purpose of co-ordination with the Internal and External audit process.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Dr. Babasaheb Ambedkar Mahavidyalaya is an aided institution. The college receives only salary grants. Some of the funds are generated through the fees paid by the students of non-grant sections. Deficit is managed by taking advance from the parent trust. Additional funding is obtained from contribution by faculty members, form philanthropists and from funding agencies like UGC through Research proposals. These funds are utilized for the research and laboratory development. The institute has a well-defined mechanism to monitor effective and efficient utilization of available financial resources for the development of the academic processes and infrastructure development. Institutional budget is prepared by College Development Committee every year taking into consideration recurring and non-recurring expenditures. Resources mobilized 1.Teachers contribute to payment of fee of some of the destitute students 2.Teachers raise funds to

give awards to the meritorious students 3.Teachers contribute 2% of their salary every month for the welfare of the students
4.Teachers contribute to provide uniform to the poor students.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

robust system of continuous review of teaching-learning processes through dedicated Departments and Committees: Student Academic Affairs & Support Services Quality Assurance & Enhancement Research Planning The Programme Structure, Course Syllabus, Course Session Plan, Time-table, AcademicPlanning Worksheet are made available to the students before the commencement of the semester. Daily monitoring of conduct of the classes is done by the Academic office established in each department and centrally by Student Academic Affairs & Support Services regularly visits the institutions and checks the proper conduct of the classes. This is also supported by online report of class conducted. Regular meetings of course faculty are held with Head of institution to review the course delivery and student learning progress. Feedback from students is also taken. Examination results for assessing various student learning outcomes. Based on the recommendations of IQAC, the teaching-learning processes are reviewed. The frequency of the IQAC meetings are planned by each Chairperson according to the calendar and Time Table uploaded and approved by the competent authority. Also, all the processes right from admissions to convocation are monitored for compliance by IQAC. Staff meetings are conducted with the initiative of IQAC. The Principal meets faculty and staff regularly. Academic Calendar is prepared.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The college has a place on its campus where the solid wastes materials are disposed of. It is to notice that the Municipality of Amravati has envisaged a specific place in the college campus to dump the solid waste. The Municipal Waste Vans come twice a week to take these wastes. It needs to be mentioned here that the waste disposable vans of the Municipality have two sections: one for dry waste and another for wet waste. The wastes are arranged accordingly in the college.

Liquid Waste

The wastewater is carried out through the pipeline. The drainage system is well planned. As the college is situated in an elevated area, the liquid wastes are drained away easily.

Biomedical Waste Management-

There is no biomedical waste management system in the college.

E-waste Management- T

There is an e-waste management system in the college. The e-wastes are collected carefully and are handed over to the Municipality of the district.

Waste recycling system-

There is no system of Waste recycling in the college. However, there is a rainwater harvesting system in the college.

Hazardous chemicals and radioactive waste management-

There is no Hazardous chemicals or radioactive waste management system in the college.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The vision and mission of the college are to provide education to the underprivileged section of society. The trust which runs the college is inspired by the work and thoughts of Bharatan Dr. Babasaheb Ambedkar and the great visionary leader Shri Dadasaheb Gawai so the college caters to education and all other facilities

with social harmony. Being a Buddhist minority institution, the college strictly follows the peace and social harmony on the campus. The students are taught about tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic, and other diversities through curricular and extracurricular activities. The college is situated near the slum area where the majority of Scheduled Castes people live, though the college is a religious minority institution, still, all the religious festivals are observed to establish communal harmony. The Birth and death anniversaries of all the great leaders are observed to spread the message of social thinkers. NSS and the department of Sociology organize various social and cultural activities to establish an inclusive environment.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The college observes all social days to spread the constitutional obligations: values, rights, duties, and responsibilities. 26th June is being celebrated continuously by the department of sociology to give the message of social equality to the students and the staff. The birthday of the founder president Hon'ble Dr. Kamaltai Gavai on 13th July and the death anniversary of Hon'ble Shri Dadasaheb Gawai are observed every year with the programmes of social awareness like blood donation camp, health check-up camp, food, and other necessary material distribution among the nearby area and other constructive work. The national festivals, 15th August and 26th January are celebrated with full enthusiasm to create a feeling of patriotism among the students. The constitution day and RTI weeks are also observed to create awareness about Constitutional rights and fundamental rights.

The department of political science organizes guest lecture programmes, and activities about constitutional rights awareness. Every programme of the department of political science begins with a collective reading of the preamble of the Indian constitution. The big cut out of the preamble of the Indian Constitution is hung in the seminar hall of the college. Through the prescribed

syllabus also students learn about the duties and responsibilities. The birth anniversary of Dr. Babasaheb Ambedkar is celebrated with various social and educational programmes.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. Title -Adopting five students from deprived class by the teachers

2. Objectives of the Practice - To spread higher education among the deprived class people from nearby slum areas.

3. The Context - the majority of the families inhabiting nearby slum areas live in the most deprived and wretched conditions. They do menial jobs to sustain their families. In the face of the hardship faced by them, they are unable to bear the educational expenses of their wards. 4. The Practice- the college has been started with a view to serve the educational and holistic development of the students from the nearby locality. For its undeterred services to the cause of the people of the downtrodden and deprived class, the Management of the college has been widely acclaimed.

2. Title: Celebration of Parenting Day

Objectives of the Practice-To inculcate traditional Indian culture of worshipping parents. Context The Parenting Day is a changed form of Valentine's Day. Valentine's Day is celebrated on 14th February of the year. On the day the lovers avow their love to their beloved.

Problems encountered and resources requiered

2. Lack of awareness on the part of parents about replacing Valentine Day by Parentine Day Celebration.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

In alignment with the vision and mission, the college is serving the educational needs of the downtrodden students of the society and making all possible efforts to enable them to join the world educational standard. The college is making its best efforts to emerge as a one-stop destination for all Rural, Buddhist Community Tribal students of Amravati district so as to fulfill their dreams in the field of their choice and transform them into thorough professionals and good human beings. The Institute has established its distinctive approach towards this comprehensive Vision by modeling it in the form of service to the society, by means of Value Added Courses, or by allowing the students to organize events to develop their skills. Entrepreneurship development, Ethical and Human value development. The Institution arranges skill enhancement programs to develop their skills for example. The college is very active in the field of games and sports, every year the college organizes University level, state level and National level tournaments in the campus. The students of the college have received many prestigious awards in the sports. The meditation through the Yoga and Vipassana are practiced at regular intervals in the college.

7.3.2 - Plan of action for the next academic year

1. To create a new Brand of the College,
2. To create a conducive environment for holistic development of Students, Faculty and Support Staff;

3. To encourage use of ICT-enabled teaching in the college.
4. To create platforms for extending social, economic help to the poor families living in vicinity.
5. To prioritize Promoting Environment and cleanliness;
6. To create eco-system for Research Culture and to promote Research by students and Faculty and
7. To start Research Centre in Pali.

Perspective Plan

1)INSTITUTION

1. To continuously Introduce new courses in alignment with the changing needs of the stakeholders;
2. To Implement suggestions made in the Academic Audit Report
3. To bring up lush green ambience in the campus and make it eco friendly
4. To strengthen the Campus Placement Derive and Grooming sessions activities

2)INFRASTRUCTURE

1. To suggest the Management to conduct Structural Audit of the college Buildings.
2. To conduct a fresh the Green Audit & Energy Audit,
3. To create facilities for recording lectures for online-streaming them to the students

3)ADMINISTRATION

1. To automate various Office Administration Processes;
2. To provide online customized learning resources to the students
3. To encourage paperless work in the college

4)LEARNINGR ESOURCES

1. To automate Library and making resources available online.
2. To encourage teachers to develop e resources.
