6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The faculty members fill in their Self-Appraisal forms which are assessed by the Self-Appraisal Committee. Based on the proforma of the university the teachers submit API forms. The analysis of the feedback provides certain inputs on the individual faculty's

strengths and weaknesses. Management receives Confidential Reports of all the teachers through the Principal (i.e., performance appraisal forms) at the end of every semester. In the Report Principal evaluates the performance of staff and gives the grading according to the work performed. Meetings are conducted and results are reviewed. The teachers are motivated to take up development programs. Performance appraisals of teaching and non-teaching staff are reviewed by the Principal. Adverse remarks, if any, are conveyed to the concerned employees for improvement.

Teaching:- Every Faculty Member of the Institution is assessed for his or her Performance based on the API score of PBAS proforma. The PBAS proforma has been evolved as per guidelines stipulated in "UGC Regulations on Minimum Qualifications for Appointment of Teachers in College and Measures for the Maintenance of Standards in Higher Education-2010" no. F3-1/2009 dated 30 June 2010, hereafter referred to as UGC regulations. The API scores as endorsed and verified in the PBAS proforma are the primary means of assessment of the teachers.

All the stakeholders of the college are from the social and economic backward class. He believed that education was the only solution for all the social and economic problems. To fulfill his dream, our Founder President Hon'ble Dr. Kamaltai R. Gawai started more than fifty educational institutions to provide educational facilities to the needy and poor students. Our college is one of them, like other institutions it is also situated near the area of backward classes. Our president Hon'ble Kirtitai R. Arjun has a vision for the development of the college, under her able leadership the college has developed in all fields. Our

students work to support their families and they have the dream of a better tomorrow, we are there to support them.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1) Adopting five students from deprived classes by the teachers

Objectives of the Practice - To spread higher education among the deprived class people from a nearby areas

The Context - the majority of the families inhabiting nearby slum areas live in the most deprived and wretched conditions. They do menial jobs to sustain their families. In the face of the hardship faced by them, they are unable to bear the educational expenses of their wards. 4. **The Practice-** the college has been started to serve the educational and holistic development of the students from the nearby locality. For its undeterred services to the cause of the people of the downtrodden and deprived class, the Management of the college has been widely acclaimed.

2) Celebration of Parenting Day

Objectives of the Practice inculcate traditional Indian culture of worshipping parents. **Context** The Parenting Day is a changed form of Valentine's Day. Valentine's Day is celebrated on 14th February of the year. On the day the lovers avow their love to their beloved. **Problems encountered and resources required** 2. Lack of awareness on the part of parents about replacing Valentine's Day with Parenting Day Celebration.
